

Frequently Asked Questions – GOAL

1. What is the GOAL program?

GOAL (Going Online as Leaders) is a digitally enabled mentorship initiative of Facebook India under the guidance of Ministry of Tribal Affairs for empowering 5000 youth from tribal communities to become leaders for tomorrow by leveraging the power of digital technology. GOAL Project is aimed at identifying and mobilizing 2500 renowned people from industry (policy makers and influencers), teachers, artists, entrepreneurs, social workers etc. known for their achievements in their domain areas, to personally mentor tribal youths across India. The initiative has been designed to allocate two mentees to a mentor.

2. Who is anchoring/running this program?

This program is being anchored by the Ministry of Tribal Affairs, Government of India in partnership with Facebook India Pvt. Ltd.

3. What are the objectives of this program?

The initiative primarily targets at capacity building of youths living in tribal areas which will inspire, guide and encourage them to boost their confidence level and ignite higher aspirations among them. The acquired skills and abilities will help them gain leadership skills, identify problems in their society, find solutions to fight the challenges and use their knowledge to support their livelihood as well as the society's socio-economic status. The core areas of mentorship program are Digital Literacy, life Skills and Leadership & Entrepreneurship.

4. What is the Programme Design?

The program targets to work in structured phases including preparatory and design phase; selection of mentors and mentees; execution that includes mentoring, training, internships; and follow-up youth economic and leadership activities. The program also seeks to provide handholding support to the youth even after they graduate out for upcoming jobs or self-employment / entrepreneurial initiatives through government schemes. The program seeks to have a strong component of quality assurance, monitoring, concurrent evaluation protocols and uses analytics and technology for continuous improvement, decision making and sustainability.

It is targeted to have a 1:2 ratio of mentors and mentees. Each engagement with mentee will be of nine months or 36 weeks:

- Month 1 to Month 7 (28 weeks): Mentees from tribal communities will be connected to mentors
- Month 8 and Month 9 (8 weeks): Shortlisted mentees will get internship opportunities in reputed organizations

5. **Who can apply to become a mentee?**

Any youth from tribal communities between 18-35 years of age who has keen interest in business, education, art, culture, dance, health, politics, research, entrepreneurship can apply as mentee.

Facebook had undertaken a pilot project on its own in 5 states of India i.e. Madhya Pradesh, Jharkhand, West Bengal, Odisha, Maharashtra during February 2019 to October 2019. In this phase, 25 women leaders mentored 100 tribal girls. The program received an enthusiastic response and has many success stories, such as:

- At the end of the program, 70% of the women cohort wanted to set up their own business
- On completion of the program, every woman has started actively using the Internet as compared to none at the start of the program. 82% of them use the internet to highlight issues their community faces
- All participants developed public speaking skills, on their way to becoming a community leader
- 63% women now have enhanced understanding of their community, government and local institutions
